

DEUTZ Power Center Mid-America is your reliable source for DEUTZ genuine parts, service and new engine sales.

With a dedicated mobile service fleet, we're happy to offer DEUTZ engine support all across the South Central United States.

Service

Our highly trained and dedicated service technicians are ready to serve you. Our mobile technicians have fully stocked service trucks to provide the labor and equipment – parts, fluids and more – you need to get your engine back up and running. So, whether you need scheduled maintenance or emergency or warranty service, we've got you covered!

Genuine Parts

DEUTZ Power Center Mid-America is fully stocked with plenty of genuine DEUTZ parts and fluids, to ensure optimum availability and quick delivery.

New engines

DEUTZ Power Center Mid-America offers a full line of diesel and natural gas engines, covering a range of 25 to 830 hp. Our sales team is committed to offering customers the right power solutions for their applications, including custom packages to meet their needs.

Xchange engines

Fully remanufactured using only 100% genuine DEUTZ parts, DEUTZ Xchange engines undergo a 300-point reconditioning process. DEUTZ Power Center Mid-America offers a national three-year limited, fully transferable warranty on all DEUTZ Xchange engines.

DEUTZ Power Center Mid-America is an authorized service and parts center for Genie-branded mobile elevated work platforms (MEWPs). This means we are trained and equipped to perform service, warranty, unplanned repairs and supply service parts for Genie Z® and S® booms, GS™ scissors lifts and GTH™ telehandlers.
